Port Wine		
Graham's, Ruby, Douro, Portugal, NV	12	75

Fun Facts about wine:

Oldest winery - The oldest known winery is over 6000 years old and was found in Armenia.

World's Oldest Bottle - The world's oldest unopened bottle of wine dates back to 325 AD and is housed in a museum in Germany.

France vs. Italy - France and Italy consistently vie for the title of the world's largest wine producers, each producing billions of liters of wine annually.

Smelling wine - Your sense of smell is key in wine tasting; experts say you can detect more than 1000 aromas in wine.

Toasting Tradition - The tradition of toasting comes from the ancient Romans who would drop a piece of toasted bread into their wine to soften unpleasant flavours.

Wine Colors - Red wines get their color from the grape skins, while white wines are made fermenting the juice without the skins. What about Rosé and Orange wine? ...

Champagne Bubbles - A bottle of Champagne contains about 49 million bubbles!

How many grapes in a bottle? - On average, it takes about 600 - 800 grapes, or roughly 2.5 pounds to make one bottle of wine!

Half Bottle 375ml
